ABOUT US

Women's Work(Derbyshire) Ltd is a national award winning charity based in Derby and provides support to vulnerable women and their families who are affected by drug and alcohol problems.

THE LINK WORK PROJECT AIMS TO:

Provide intensive support on a one to one basis and as a family unit to improve family relationships, health and well being.

Provide an informative programme of workshops and family sessions to improve knowledge and understanding of substance misuse. Improve social and community inclusion for all families, building confidence and self esteem for all involved.

Sign post to one of our multiagency partners where appropriate. Promote stronger family relationships and improved parental confidence and skills through intergenerational activities.

HOW WE CAN HELP:

We provide workshops and courses to improve Parenting skills

We will provide information on nutrition, health and well being

We will facilitate physical leisure activities for families

We will empower families to develop and improve life skills through practical budgeting, shopping and financial understanding

Engage and support families with one to one key working. To empower families to access other services with in the community to improve inclusion.

Provide support for expectant and new mums
Harm reduction advice and information on drugs and alcohol treatment.

Behaviour and management workshops

Home visiting, advice, support and signposting

It can be difficult to cope with the needs of a busy family, as well as dealing with drug and alcohol problems.

YOU ARE NOT ALONE:

Our service will be delivered by experienced staff who will work to address the needs of a family in a flexible way. We are only a phone call away from on-going support, enabling you to achieve better outcomes for you and your family.

Women's Work operates a strict confidentiality policy. We will only share information with consent. However, we are legally bound to disclose details in any instance where we believe a child is at serious risk of harm.
